

ARE YOU A CANNABIS USING PARENT WITH KIDS BETWEEN THE AGES OF 11 AND 17 YEARS?

MAP is a new, brief (2.5 hour) parent program – designed with input from cannabis-using parents in New Mexico – that aims to expand parents' information about teen cannabis use and provide new strategies for talking with teens about cannabis

HAVE YOU WONDERED ABOUT HOW CANNABIS AFFECTS ADOLESCENT BRAIN DEVELOPMENT?

Call or text Aleah at (505)453-8984 for information about how to participate in research evaluating MAP for cannabis-using parents

THIS STUDY IS FOR YOU!

PARENTS AND YOUTH CAN RECEIVE UP TO \$225 FOR PARTICIPATING!
